- Custom Applications

The SC 205 Tactical Repeater System is engineered to support modern multi-band programmable communications equipment

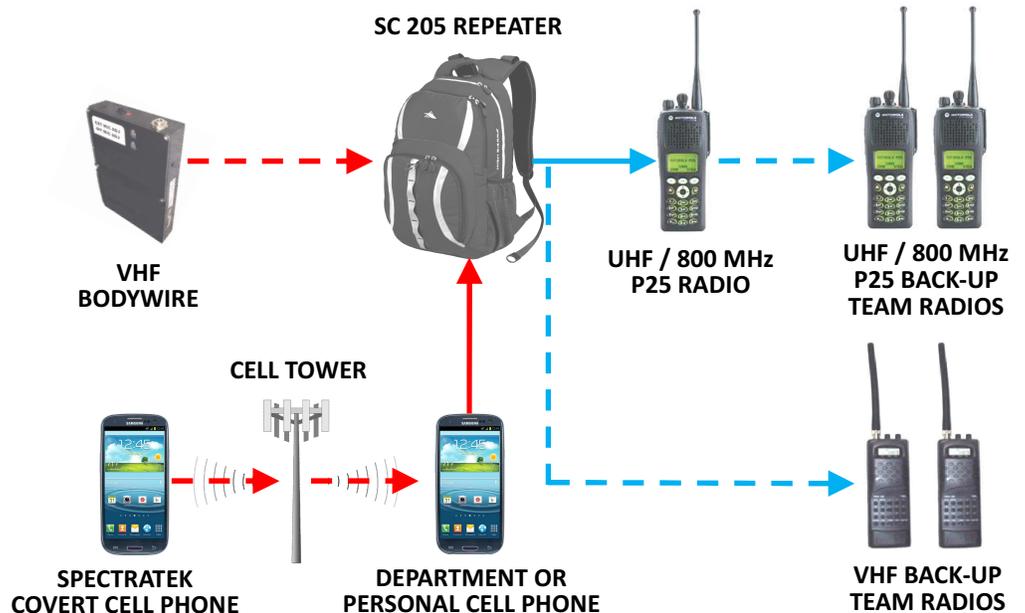

The SC 205 provides a flexible solution to transmit surveillance audio to mobile receivers.

The SC 205 can transmit to P25 Public Safety secure encrypted radio communications.

The SC 205 is designed to utilize the SpectraTek Covert Cellular Body Wire System. The SpectraTek Covert Cellular Body Wire can be used with your personal or department cell phone to integrate the audio into the repeater, transmitting to both VHF and P25 radios.

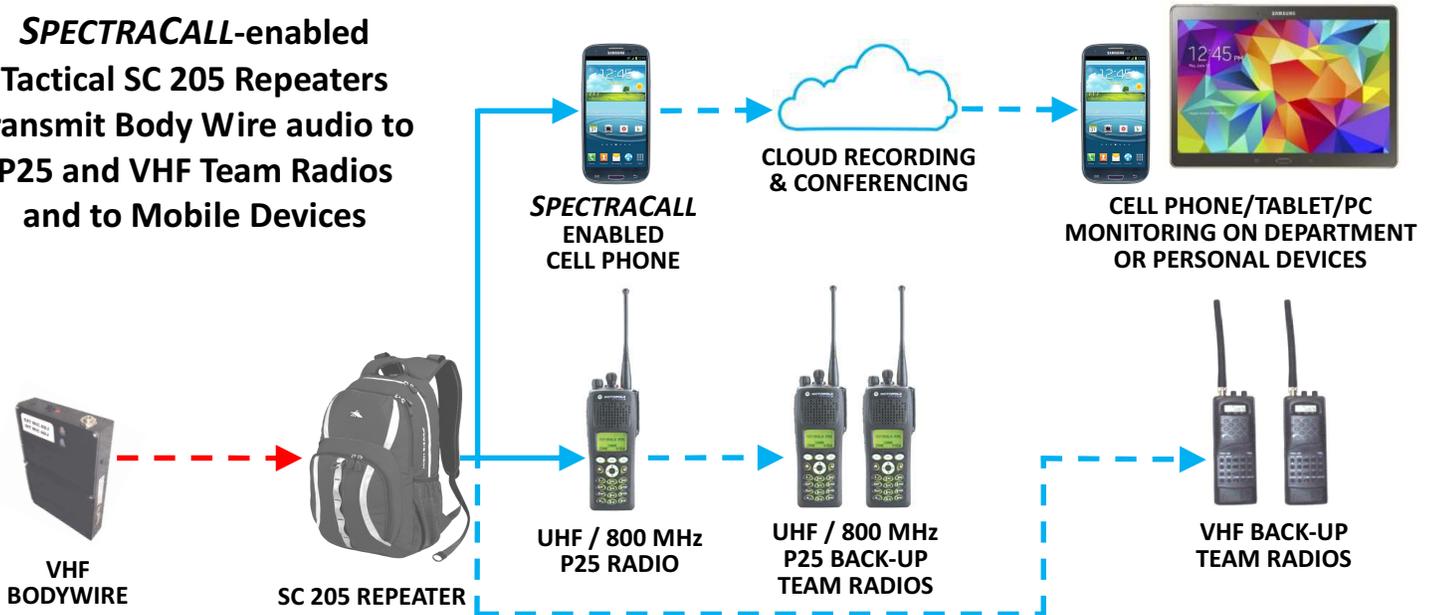

**SpectraTek**

520 East McGlincy Lane  
Campbell, CA 95008

**SPECTRACALL-enabled  
Tactical SC 205 Repeaters  
transmit Body Wire audio to  
P25 and VHF Team Radios  
and to Mobile Devices**

**SC 205 Tactical Repeater Features**

- **Frequency Range:** 148 – 174 MHz VHF band in 2.5 kHz steps
- **RF Power Output:** 2 Watts @ 12 VDC @ 50 ohms
- **Power:** External 12 - 14 VDC, 110 VAC, and internal rechargeable battery
- **Operational Time:** 5 hours of continuous operation
- **Low Voltage Cutoff to protect battery**
- **Frequency Separation between TX and RX:** 4.5 MHz min – 10 MHz max
- **Channels:** Three external switched programmed receive channels and two transmit channels
- **Channel Separation:** +/- 200 kHz between TX and RX frequency
- **High-quality built-in dynamic speaker to monitor RX channel and headset output for audio monitoring**
- **Transparent passing of P25 AES or DES encryption code**
- **1/4 Wave Antenna, 12 VDC vehicle power adapter, AC/DC battery charger**

**SC 205 Options**

- **Scramble on transmit, Coat hanger antenna, Magnetic mount antenna**
- **SpectraTek Covert Cellular Body Wire System**
- **High-Power selectable 2 or 5 Watt transmitter available for Federal agencies**

Model Number	SC 205 Multi-Mode Tactical Repeater Product Line Description
SC 205-CV	VHF receiver and cellular connectivity with VHF transmitter repeater output
SC 205-CR800	VHF receiver and cellular connectivity with P25 800 MHz radio output
SC 205-CV800	VHF receiver and cellular connectivity with VHF transmitter repeater and P25 800 MHz radio output
